

Emergent Evangelical Dialog

Speakers: Noel Britton, Jesse Schroeder, and Dennis McCallum

We will be exchanging views on the following:

1. What is the emergent movement? How should we understand it?
2. View of truth: What are the areas of agreement and areas of difference between typical emergent thinkers and evangelical thinkers on the nature and role of truth?
3. View of the cross: What are emergent thinkers saying, and what does it mean? What are the different ways of interpreting the cross, and how wide are the differences between newer, postmodern perspectives on the cross and more traditional understandings?
4. How to reach postmodern young people: What should go into an approach to communication, community, church ethos, structure, practice, etc. in order to avoid losing relevance to postmodern culture?
5. What is the kingdom of God, and how should we understand it?
