

## Christian Leadership 3 Class Policy

### Required for Leadership

This course is required for all home church leaders.

They must successfully complete this course before, or within 3 years of becoming a home church leader.

### Attendance

You must attend at least 8 of 10 classes to pass. If you need to miss more than 2 classes, get the approval of the instructor for more absences, and make arrangements for making up missed classes.

**Assignments:** From *Organic Disciplemaking*, by Dennis McCallum & Jessica Lowery

You must complete at least 7 of the 9 assignments to pass.

Please submit assignments *before* the class begins.

Please hand in assignments *on time*. We try to read and comment on each assignment, but we will normally not do this for late assignments.

Keep all assignments and handouts in a notebook so you will have a tool for future use.

**FINAL ASSIGNMENT** replaces Final Exam

You must hand in this assignment within two weeks of the final class date. See the separate sheet explaining the Final Assignment.
